### ***Innovation.***

Royal Vendors has a rich heritage of pioneering industry innovations. Examples include the introduction of the Econo-cool Refrigeration System, the first vending company to be Energy Star approved, and other innovations that ensure you are partnering with a company that is committed to making your business better.

### ***Quality.***

Above all, Royal Vendors is committed to providing a superior product. We insist on tight quality control standards, and consistently maintain ISO registration.

### ***Environmental Responsibility.***

Royal Vendors has had a formal environmental policy for the last 15 years. Innovations such as energy management software, low-power lighting, and minimizing waste streams are all part of the Royal culture. When you partner with Royal, you are doing business with a company that has won the Energy Star award for technical innovation and we are committed to continuing our efforts to minimize the environmental impact of our equipment.

### ***Service.***

Each vender is backed by respected industry leaders and a dedicated support team, many with more than 20 years' experience in the soft drink field. Ours is a "people" advantage: unparalleled depth of technical knowledge; a thorough understanding of customers' needs; and a desire to foster long-term client partnerships.
