## Models 35 select & 45 select

## Takes cold drinks vending to the BevMax!

The best has just got even better! The BevMax 4 is a greener, more reliable and technologically advanced merchandising platform that showcases a large variety of product and reliably delivers it to the consumer every time. The machine is also available in 2 model sizes, 35 select (990 mm wide) and 45 select (1181 mm wide), increasing its versatility even further!

### Why Choose BevMax 4?

- Market leading vend speed - the perfect solution for busy vend areas
- Vends 0.5l PET bottles on all trays
- Increased vend reliability - fault rate is 1 in 39,000 vends, driving service costs down
- Increased sales and profit vs. stack machine from same footprint
- One platform, 2 sizes = common parts
